Building and Grounds update: still signs of fleas but seems to be decreasing. Door on the report was fixed. Leak found in Mtr. Kathy's house, plumber to come out this week. Office foundation was inspected, with a couple options identified. There will be a cost benefit to analyze regarding the foundation and renovation of the Parish office. Ramps out front to be shaved and smoothed out and sunlamps installed.

Possible celtic high cross donation from member of the church. Not confirmed yet but possible discussion for a future meeting. There were also mentions of the metal roof cross and if time to look into the removal and possible replacement with another option.
